AMHERST NEEDS YOU!

More Specifically, our high school and middle school athletes need your help. Additional funding has become more and more important to ensure that students who wish to participate in school athletics have the opportunity to do so. Help us provide our students with the funding, equipment, coaching, and other special items that make Amherst a world class community.

The 9th Annual Hurricane Open

is a scramble format golf tournament that promises to be both fun and competitive. Put together a foursome or register by yourself and we'll put you together with other singles. (All levels of expertise are perfect.) The important thing is to participate in the exciting Hurricane tournament that has become an annual event.
